Docket No. 98N-1265 99 MAR 23 NO 25
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have relied upon compounded
natural hormones which were not otherwise
available to me through local pharmacies. Due to
a history of breast cancer in my family, I am reluctant
to take pharmaceutically produced estrogen or other
hormone products. I do not want the government
regulating my health; and I object to the
"inordinate amount" clause. Strenuously!
